ED'S LETTER

club DVD 8.4

This issue has got a bit of everything. Brit babes, Euro hotties, two on-set exclusives with big budget US movies, a revealing chat with huge porn star Teagan, another thought provoking column from Karina Currie, the latest DVD and website reviews, jokes, letters, gadgets, a new feature called Six of the Breast, dirty letters and... I'm sure there's something else. Oh yes, a bloody great DVD on the cover. Enjoy...

SMOO NEWS

FROM THE WEIRD WIDE WORLD...

HE SLIMED ME!

Can I borrow your drill-do?

When an Australian dad who thought his house was haunted tried to capture a ghost on a secret camera in his kitchen, he was hoping to record moaning, groaning and the clanking of chains. But the only moaning came from his 28-year-old ghost-busty girlfriend experiencing multiple phantasms with his 16-year-old son on a worktop. The only groaning escaped from his own strangulated throat as he played back the tape. And the clanking of chains is likely to emanate from the prison cell of his (presumably ex) paramour (who can't be named for legal reasons) who testified she didn't understand that she was breaking the law by having sex with an underage child. (The age of consent in Tasmania is 17.)

ONE IN THE LINK...

Being asked to verify "connections" by business-networking site Linked In is one of the banes of modern internet life. *Club DVD* gets at least three requests a day from people we have only ever had the scantest of contact with – a long-departed freelancer, a plumber, and our wife. They all want their fucking skills verifying, of which the wife has remarkably few. We long for a hard, extended, sweat-drenched connection with a highly pneumatic porn star instead, but Linked In's new ruling explicitly bans members from promoting prostitution or escort services, even if legal in their territories. This hasn't gone down well with owner of the (legal) Moonlight Bunny Ranch in Nevada Dennis Hof, who demands: "They need to go after the illegal traffickers and leave us alone! Are they going to shut down casinos in Nevada where gambling is legal?

With the amount of porn stars flogging their wares on Linked In, we can see his point.

THE VOICE SQUAD

That'll make me more than a woman!

A music teacher at the University of Alberta uses sex toys to increase the vocal power of his students. But he's not putting them where you think. After all, even we'd sound like Robin Gibb with a Rabbit stuck up our arse. Robin Ley, a drama professor and vocal coach, massages vibrators on the throats of bemused students to improve their range and projection. He insists on its efficacy. "I know it's a bit different, I know there's a giggle factor, but it relaxes tension in the larynx and stimulates vibrations in the vocal folds."

The only reported side effect is an increase in phlegm. As the good professor no doubt calls that secretion he finds in his pants after a particularly arduous voice class. Allegedly.

GEEKS CORNER! WITH JOEL

With summer finally showing some love and a myriad of great music festivals about to drop, we check out what jams are spinning on the Geeks Corner playlist! Starting from the top is Joe Muggs and Will Ashon's essential survey of contemporary grime in the shape of Big Dada's *Grime 2.0*. This stunning compilation features thirty five exclusives from around the World, including New York's Matt Shadetek and Japan's Prettybwoy, as well as UK stalwarts like the scene's godfather Wiley, inaugural originators Youngstar and MRK1, plus a whole host of new blood in the shape of Swifta Beater, Mr.Mitch and many more. This double CD makes a perfect overview of a grassroots genre that has outlived its critics and spun a web of influence across the globe! Also on non-stop rotation at Paul Raymond Towers is *Far West*, the latest album from jizzy faves (surely jazzy? The Ed.) Master Musicians Of Bukkake. Following the Eastern mysticism of their towering *Totem* trilogy, this latest long player has navigated full circle back to the Western hemisphere and is a spaghetti western-stained take on the pagan folk wanderings that Dylan Carlson's Earth have so fully realised. With a motorik injection the hydra-like Master Musicians give us something close to Popul Vu dropping a Krautrock take on Wendy Carlos and Rachel Elkind's *Shining* theme – one intense odyssey indeed!

Dear Club DVD,
What the fuck's happened to Natalia? [*Club DVD* 8.3 – The Ed] She looked so pure in your photos, that if I'd seen her in the street, I would've thought she'd become a born-again virgin! I figure she hasn't, though, as she was getting her kit off. Still, it's a thought, eh?
Mick, Ayre

Well, it certainly is a thought, Mick! Not one we'd like to entertain for too long, however, as Natalia is a firm favourite here at Paul Raymond Towers, and we'd like to continue seeing her in all her glory for a while yet. We assume, as you've taken the trouble to write in, that you're a fan of the foxy lady, so rest assured that she'll be featuring in your ever lovin' *Club DVD* again real soon...

Hi Club DVD,
I was really interested to read Karina Currie's article about the porno industry and politics [*Club DVD 8.3* – The Ed]. She makes some very good points, which I wouldn't have thought of otherwise – like, I'd always thought that porn was made by blokes for blokes, but now I'm thinking that maybe it's the birds that are in control. Plus, it pointed me to the film *Caligula*, which I hadn't seen, but have now. It's fucking porno is what it is!
Krug, via email.

Ah, we're glad that Ms. Currie's words of wisdom made you pause to ponder for a moment – cock still in hand, or otherwise! She does, indeed, make some relevant and thought-provoking points; we found it interesting to hear about the politics of the adult industry from a XXX veteran, like Karina. We were also keen to point out to her in the pub that, as a woman in the biz she earns more than us, so she should get a round (or two) in!

Dear Club DVD,
Wow! Who are the two big-boobed lezzers in the last issue? All it says is Jelena & Jane, which isn't much good when you try to Google them to find them fucking in some hardcore clips. Can you at least tell me a film they've been in, or something?
Phil T, via email.

We can do more than that, Phil! The girls' full (porn) names are Jelena Jensen and Sensual Jane – Jane is the one with the bird earrings, in the set! American babe Jelena started working in the adult biz in 2003, and is no stranger to Paul Raymond mags – she's a long-time fave of our sister magazine, *Mayfair*. And with her ample 34F charms, it's little wonder! With nearly 100 movies under her belt, the 31-year-old's career has predominantly consisted of lesbian porn, including the imaginatively titled, *Lesbian Sex 4 & 6* from Girlfriends' Films, as well as this year's smash, *Instant Lesbian*, from Girl Candy Films. She does more than a little hardcore on her website, *Jelenajensen.com*, however, and damn, does the gal know how to suck a cock! Jane, on the other hand, is comparatively new, having only started screwing for our viewing pleasure in 2009, and having only made 30 movies to date. The Bucharest-born beauty boasts an impressive 36F rack, is 29-years-old and is a bit of an anal fiend, by all accounts. You can catch her in such pornos as Bluebird's *Glam Spank*, Digital Playground's *All Star Big Boobs* and Diabolic Video's *Natural Big 'Uns*, or check out her official site at *Sensualjane.me*. Enjoy!

Alreet?
Who'd have thought that slutty punk Joanna Angel's favourite album is Pulp, *This Is Hardcore*? I didn't think they'd made it that big in America.
Jon, via email

Out of the whole interview with infamous alt-porn princess, Joanna Angel, that's all you took away from it? Well, okay; yes, Jon, who'd have thought it?

Blocking The Box – You're having a threesome with a chick and another bloke – it's all going well until your 'mate' decides he simply can't hold off any longer and shoots his load right inside her cooze. Now, unless you want sloppy seconds, which is never a good look, he's pretty much stopped your vaginal fun – or blocked the box, as it were.

Acomoclitic – My, how times change… Only a few decades ago, it was thought the bigger the better when it came to pubic hair. Although there are still fetishists out there who like a hairy minge, we tend to find that most people nowadays are acomoclitic – meaning they prefer a silky smooth, shaven haven. How very civilised.

Playpen – Being in the Tossary, this could only really describe one of two things; a room full of sex toys and other indulgences; or an inviting and warm place, which excites and relieves at once. Yes it's the latter, and we could only be talking about a laydees' front bottom.

Swimmer's Ear – Picture the scene; you're getting a good nosh from your partner when you feel that telltale sign that you're gonna cum. For some reason, whether that's fetish or pure malice, you decide to pull out of her mouth and jizz in her ear instead. Congratulations – you have performed your first 'swimmer's ear'! We're not entirely sure why you'd want to, however, as all that can come of it is a rather nasty ear infection…

Hodophilia – Although sounding like a fetish for bricklayers, it actually means to become aroused from travelling. This broad term can lend itself to all modes of transport, including trains, planes and automobiles, although generally each individual paraphilia has its very own name, too.

Sleeping Bag – This term's a bit mean, but most of us have pulled a porker, or two, in our time – whether the liaison was due to beer goggles or a 'consolation prize' situation. In the same way you might pull a sleeping bag up over your head when on a camping trip, so you pull your chubster's stomach rolls over your head, when you want to go down on her. Try it – it's uncanny!

Hot Milk – A bit like the drink your mum used to make you before bedtime, this hot milk will make your missus sleep (probably) and is good for her. Yes, we mean spunk!

Tachorgasmia – Unfortunately, for whatever reason, most guys have suffered the humiliation of tachorgasmia at one time or other. We'd try to lighten this description up a bit, but to us premature ejaculation is no laughing matter. Not that it's happened to us, of course. Ahem.

Donkey Punch – Thanks to the 2008 'blockbuster' of the same name, more people know what this sexual term means than perhaps should. For those of you who missed the movie and stick to 'normal' sexual positions, the donkey punch refers to a particularly nasty act; while fucking your partner up the arse (doggy works best), punch them as hard as you can on the back of the head, causing their sphincter muscle to tighten around your cock and send you into heavenly bliss. Unless, like in the film, you break your girl's neck and end up not only having your dick stuck in a dead chick's arse, but also having to dispose of the body.

Circle Jerk – The stuff legends are made of, involving a group of men, standing in a circle and having a wank, with not a sniff of a female present. Is it any wonder that circle jerking was a favourite pastime of Etonians?

Salirophilia – Salirophilia is a sexual fetish that involves ruining the vision of the object of your desire – which is usually a beautiful person. So it's all about screwing with that beauty's appearance rather than hurting them in any way, it can include messing up the person's hair, covering them in dirt or tearing their clothes – so it's hardly a surprise that many salirophiliacs enjoy sploshing, mud wrestling, or other such messy scenarios. Bukkake, anyone?

*We had to give you a reason to spend time doing our very educational wordsearch, and here it is! **Find the term listed that is not included in the grid, and you could win some porno prizes!** Send your answer to *Club DVD* Wordsearch, PRP, 23 Lyon Road, Hersham, KT12 3PU. Competition ends on 8th August 2013, and the first name to be pulled out of the hat wins a goodie bag!

EVE

Eve Angel might just be in with a chance of being the model with the most appearances in *Club DVD*. We'd like to be able to tell you one way or the other, but we've got lots of gaps in our back issue files. First there was that flood. Then there was that fire. Mostly, though, there were the 'normal mags' we share the office with, who all pretended to hate porn, but who kept going home at night with bags stuffed full of review DVD's, sex toys and – yes, you guessed it – back issues of *Club DVD*. Sorry, Eve. We'll just call this your umpteenth welcome appearance...

Are you sure this is on the curriculum?

My Private Tutor

How would you feel if one day you discovered your college tutor used to be a former porn star? After the electricity stopped pulsing through your veins, your tongue rolled back into your mouth and your dick finally busted a hole through your jeans, we're guessing you'd pick up your phone and change your tutoring sessions from once a week to three times!

This is the exact predicament occurring in *My Private Tutor*, an after school special brought to you by the expertise of award-winning professor Robby D. In it, Erik Everhard, a failing student, stumbles across online sex videos and ascertains that his college math tutor, Jesse, is none other than retired porn legend, Jesse Jane. Ready to dive a little deeper into his studies and become an X-rated adventurer himself, Erik and friends are ready to study, sample and create the hardcore moves that made Jesse Jane a sex symbol. But, before we can venture off to the head of the class, we need to start from the beginning. With the sound of school bells ringing, class has officially begun. So grab a hold of your pencil and get ready for your first lesson. Digital Playground's school of hard cocks is now in session!

The curriculum opens with Manuel Ferrara, one of Jesse's students, roaming the top floor of her home in search of a restroom. Instead, what Manuel stumbles upon is Abigaile Johnson, a foreign exchange student from Eastern Europe. With immediate chemistry pulsing between them, their eyes begin roaming around the healthy curves of each other's body. "I no English," Abigaile sheepishly conveys in a sexy accent, tilting her head down to check out the boner bulge that is now beginning to round out the crotch of Manuel's designer jeans.

Noticing her roaming eyes, Manuel sinks in a bit closer, interlocking his lips with hers. Although she's not fluent with the English language, Abigaile proves to be well versed in the universal language of love when she unzips his pants and unleashes his cock. However, before Manuel allows Abigaile to satiate

What happens when you find out that your college tutor or professor used to suck dick in porn films for a living? What do you think? Emma Edwards joins Digital Playground's red hot babes on the set of My Private Tutor and signs up for extra homework...

herself on his French baguette, he eats up every inch of this Czech cutie, swirling the tip of his tongue around her earlobes while working his hands toward her promised land. "I know you'll like what I'm about to do," he charms, sliding her denim shorts down her legs to reveal soggy panties with a sticky pussy at its centre.

Spreading her out like peanut butter across the white sheets, Manuel parks himself between her teenage thighs and begins humming the alphabet around her quivering clit. With impeccable oral skills, Manuel treats her to the type of oral delight that young girls, of her age and sexual experience have only dreamed about. "Enjoy it," he continues to smile, getting his lips good and sticky with trickles of her teen spirit.

> **"HE SLIDES HER DENIM SHORTS DOWN TO REVEAL SOGGY PANTIES WITH A STICKY PUSSY"**

After some solid sixty-nine positioning that leaves his cock glowing, Manuel tears into this kinky co-ed in a heated doggie squat that leaves her rosy cheeks flush against the mattress. As the camera pans out, we can see that her pussy lips and the tips of her nips are bright red. In fact, it becomes quite apparent that whatever part of her body that is getting turned on morphs from creamy white to bright crimson. This makes perfect sense the moment Manuel unloads his homemade crème fraiche across her ruby red lips and watches her lick it up!

Back at home, Erik tries his best to complete a math assignment that Jesse's given him, despite the fact that he keeps on getting the wrong answers. Frustrated, he turns to online porn to relieve some of his stress. It is here where he stumbles upon Jesse's explicit porn past. Now hornier than hell, Erik grabs a handheld camera and goes in search of his hot girlfriend, Pressley Carter. Luckily, for him, he finds Pressley resting gently on her bed. With the camera held out in front of him, he playfully nudges Pressley and teases, "Show me your tits!"

Smashing a pink pillow against her face, Pressley giggles and declines, "Oh, is this going to be just like your 'Just the tip babe!'" Shaking his head no, Erik begins pawing at his girlfriend's white tank top, giving us glimpses of her perfectly pink nipples and

I haven't got an apple for teacher. Will this do?

bee-stung breasts. Now getting into the naughtiness of it all, Pressley starts putting on a little show for the camera, showing off her round butt and hairy pussy that she forgot to tidy up this morning. "Okay," she finally relents, spreading her knees apart so Erik can begin his skin show right on her money spot!

With his camera still in hand, Erik weeds through her curly muff, locating her blooming rosebud. Utilising his award-winning tongue, Erik happily latches onto Pressley's velvet underground, humming on her clit like a chainsaw until she's all shook up. "Oh shit," Pressley chants, after succumbing to an oral induced orgasm that makes this dirty debutant delirious and dripping wet.

Now seemingly hypnotised by her gleaming wet spot, Erik replaces his mouth with his cock, tearing into Pressley in missionary position. With her lean legs resting over his shoulders, Pressley keeps sexy eye contact with her man, curling her pink toes into points when her pleasure becomes too immense. "Oh yes! Oh yes!" she eventually moans, demonstrating a pouty face that would seem as though she's in pain, when in actuality, this fallen angel has just been given a first-class ticket into hardcore heaven.

After Erik's sex video with Pressley has been edited, he's quick to show off his amateur porn efforts to Jesse. Humouring her excited student, Jesse takes one look at the raw footage and politely flirts, "Hmmm, you may need some help." With a sexy smile shown across her face and her fingers seductively tugging down the hem of her pink T-shirt, Jesse lets Erik know that she's down to give him a private lesson in lust.

Falling into one another across her fluffy bed, naughty Jesse is quick to pull out Erik's anchor for a little tongue and tickle session. With her green eyes locked onto his, Jesse wraps her pouty lips around his dick, stroking the thickness of his cock with her small hands. "Is this good?" she seductively purrs, knowing damn well that her oral skills are clearly the best he's ever encountered. Shaking his head yes, Erik soon grabs his cock and tilts it upward, allowing

> **"JESSE WRAPS HER POUTY LIPS AROUND HIS DICK, STROKING THE THICKNESS WITH HER SMALL HANDS"**

Jesse full access to his balls. Happy to service his undercarriage, Jesse gives Erik one hell of a spit shine.

To show his gratitude for her erotic expertise, Erik treats her to an oral pussy popping session that leaves her eyes bulging before dragging her to the edge of the bed to hammer her hole in missionary position. With their bodies smacking together like hand to drum, the two fuckers actually manage to fall off the edge of the bed. Without a care in the world or realisation that they're now on the floor, the dynamic duo continue pounding it out like heavy weight champs.

"You're so good," Jesse grins, biting the edge of her bubbly lips as Erik positions her on top of his lap to continue their bang session in cowgirl. Riding her stallion to the finish line, Jesse delivers a spirited ride that nearly blackens his eyes when her bongo tits go flailing around his face. Hot!

From here, Jesse gets a surprise visit from Brooklyn Lee, her best friend from the porno circuit. As Jesse steps out to run a few errands, Brooklyn makes herself right at home and that includes seducing Manuel, Jesse's handsome undergraduate. Enamored by her fishnet dress and spike heels, Manuel finds it difficult to stay focused on the task at hand. "Is Jesse around? I'm here for our tutoring session," he contends, as Brooklyn leads him to the sofa, practically falling on top of him. "I'm sort of a tutor too," the sexy ingénue purrs, showing Manuel her rounded tits and long legs.

As the two engage in their first sultry kiss, Brooklyn baffles Manuel by announcing, "Jesse and I used to suck cock together. She's retired now but I'm not!" Proving his love of porn stars, Manuel sets Brooklyn on his lap and begins finger banging her moist looking pussy while sucking on her breasts that appear larger than usual. "You like this baby?" he charms, getting his fingers and later his tongue saturated with plenty of her porn star poontang.

After doing me in the A, you can do my A* (GCSE joke!)

"MANUEL SETS BROOKLYN ON HIS LAPS AND BEGINS FINGER BANGING HER MOIST PUSSY"

"Please let me sit on it," Brooklyn pouts, taking a seat on top of his thighs in cowgirl position. As the two begin crashing into each other like ocean waves, Brooklyn hooks her hands around the spikes of her heels, creating a dynamic visual. Robby D scoots as close to the penetrative action as possible, getting a lens full of Brooklyn's naturally red bush and gaping pussy hole in the process. As the fuckers contort into missionary position, Manuel really lays into Brooklyn, proving that civilians can fuck just as well as seasoned porn stars. After a few more sexual arrangements, Manuel pulls out and scatters his warm milk across her pretty mouth.

After Jesse educates another student, Bill Bailey, her tutoring sessions come to a climactic ending. With expert displays of sex and Jesse Jane's unconventional approach to sexual scholastics, it's your turn to watch as these kinky co-eds work their way toward passing grades. Now what are you waiting for? It's your turn to sink your teeth into higher education!

SAMMI

We've got a little secret to tell you about Sammi: we used to work with her brother. He worked in our office for a couple of years, but at no point did he feel moved to tell us that his sister was incredibly beautiful and harboured a secret desire to be a glamour model. Although said brother left the company, we do feel that, retrospectively, this is a sackable offence. Mate, you're fired...

SUZIE

In the same way that footballers often retire from international football to prolong their club careers, Suzie Carina retired from porn a couple of years ago to prolong her modelling life.

“Getting fucked by all those big cocks takes a lot out of you,” she says, somewhat bluntly. “Those are long days, and they’re pretty intense. It’s amazing, but they tire you out.”

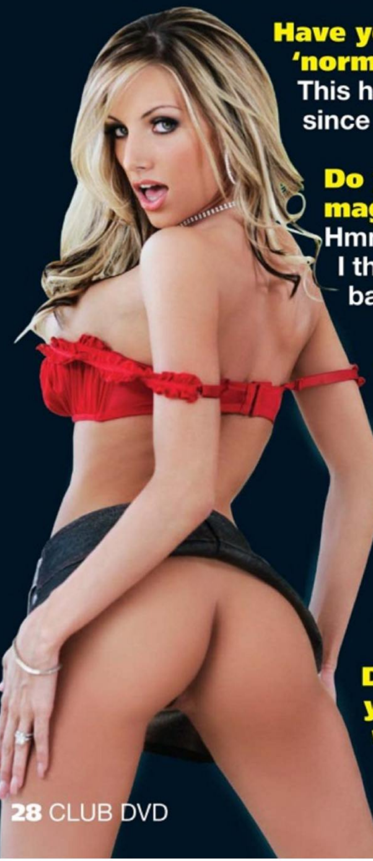
Chance would be a fine thing.

“I’d love to do it for ever, but I’m worn out – can I just strip for magazines instead?”

We’ll take that...

Hi Teagan! In case there is still a porn fan out there that hasn't heard of you, could you tell them a bit about yourself, please?
I am the girl next door, definitely. I am not your cookie cutter porn star; I am someone who is very shy and introverted at times, but a wild anal-lovin' girl in the bedroom.

How did you get your start in the sex biz?
I had just turned 18, and I went to a 'modelling' ad in the paper and it turned out to be porn. I agreed to do it to get back at an ex-boyfriend.



Have you had any terrible 'normal' jobs?
This has been my only job really since I became an adult.

Do you remember your first magazine shoot?
Hmm... It was for *Barely Legal*, I think, and I was literally barely legal!

And your first video shoot?
It was one in the series of *Just Over 18*, or something. Not my finest work as I was pretty new to sex, and definitely new to different kinds of sex. I was freaked out, but they were very cool and it was fun.

Did you ever imagine you would achieve such worldwide success?
Nope. But I am certainly glad I have.

What's the best thing about working with a studio like Adam & Eve?
The people. It is a family, and we get treated as a family. I love my family at Adam & Eve.

And being their contract star?
We are a small team, literally just me and Alexis Texas. So it is great, but she's one of my very best friends, and it is a close knit group and more special because there are only two of us.

For those who don't know, could you tell us a bit about your production company, SkinworXXX, and the Deviance series?
SkinworXXX is our high-end, glamour-esque brand. We shoot exclusively for Adam & Eve. Our big series, *Deviance*, is a SkinworXXX movie. The first one won best all-sex movie at AVN, DVD of the year at CAVR, and the third one just won best all-sex movie at this year's XBIZ awards. All three in the series have accumulated like a ridiculous 50+ award show nominations. Pretty awesome.

Have you done any interesting shoots lately?
I haven't shot since last year's D3. Shooting the T&A movie in May, and a cheerleader movie. Then, this summer I will start filming my biggest movie ever, that's right, bigger than *Pirates*! It will be scripted and co-directed by Joshua and David Lord.

What have you learned about sex – and yourself – from your adult career so far?
Everyone has their own different likes and dislikes. Totally. Not everyone likes the same things.

Were you sexually active from a young age?
17 years old. Not too long before I started shooting, honestly.

PRES' PLAY!

She cooks, she fucks, she reads books (albeit not very good ones). Is there anything Teagan can't and won't do? Tam Noon hooks up with one of our favourite porn stars to find out what she's up to in 2013...

> **"IF I AM IN THE RIGHT MOOD, I LOVE ANAL. OTHERWISE A ONE-ON ONE WITH INTIMACY"**

Congrats on your numerous award wins over the years. How important are they to you and where do you keep them?
We have a family, so we keep them boxed up in the garage. I would love to be able to display all of them, but with family involved, that can be uncomfortable.

You've made over 150 movies as an actress – how do you keep your performances so fresh?
I've only made about 75, actually; the rest are compilations they put out to capitalise on my fame. I attack each scene like it's brand new. That's the secret. Because each scene is different.

Is it true you featured on the original release of the Paris Hilton sex tape?
Yes, I had scenes on the DVD to fill space besides her one, short scene.

What type of scenes do you enjoy the most?
Hmmm... Where I am in control. Now that I do girl-girl only, that allows me to be much more dominant and in control.

What's your favourite 'nasty' act?
If I am in the right mood, I love anal. Otherwise, a one-on-one with intimacy to some level.

Is there anything you wouldn't do on film?
Bukkake, gang bangs... Not my thing.

Do you have any sexual fantasies that you haven't fulfilled yet?
Not really. I think I have done it all, short of the few things I won't even consider doing. I like having a normal sex life at home.

Would you consider yourself bi-sexual in 'real life'?
Yes, definitely, but I prefer a relationship with a man. I've had girlfriends, and it can be a lot of drama.

Who, in your opinion, is the best shag in porn?
Hmm, guys would be Erik Everhard and James Deen, girls; Alexis Texas and a tie between Andy San Dimas and Lisa Ann.

Have you always been a bit of an exhibitionist?
Yes, I love being naked. I am naked everywhere at home.

What is good sex?
Sex when I have an orgasm. Ha ha.

What do you think you're best at sexually?
Hmm, I am humble so I'm not sure. My energy, maybe?

How often do you masturbate?
Rarely. If you work at Starbucks, the last thing you want to do is come home and pour a cup of coffee.

What's the largest number of blokes you've fucked at one time?
Two.

Do you ever cum when you're shooting?
Of course, especially when there is good chemistry

and I feel comfortable with the cast and crew.

Honestly now, does size matter to you?
Yes, but not as much as to some other girls. It's how we fit and what you do with it that matters.

What is the most sensitive part of your body?
My emotions :)

What turns you on?
Romance. Flowers, nice dinners, a lot of physical attention.

And what turns you off?
Pooping, farting, body odour, the staples of most men including Joshua [director Joshua, Teagan's fiancé].

What do you look for in a prospective fuck (in either sex)?
Good hygiene, good reputation, and good chemistry.

Are you dominant or submissive?
Depends on the scene. I have been very submissive in the past, but now I like to dominate.

Hard n' rough or soft n' romantic?
A mixture of both. Definitely.

Realistic gonzo or slick and glossy feature?
How about both here too? *Deviance* is realistic gonzo that's glossy like a feature.

Do you watch porn when you are at home?
Nope. They are all my friends and I know all their dramas.

Were you a porn fan before you started out in the sex biz?
Nope. Never had seen one.

And do you remember what the first porno you ever saw was?
Joshua and I watched *Island Fever 4* together, which I am in, when we first got together. And I had been shooting already for four years then!

If you could cast anyone alive or dead, who would be in your fantasy porno?
Hmm... Liam Neeson.

What has been the most enjoyable job you've had so far in your adult career?
Island Fever 4 was fantastic; Bora Bora is insanely beautiful and it was fun being there with my friends.

What makes your movies special (either as a star or director) – why should a viewer choose to watch one of your movies over everything else on the shelves?
Because I only do a few movies a year, each one of my movies is something special. Big movies with big casts and huge sex scenes.

Do you like to have sex to music? If so, what kind?
Yes, polka. Only kidding! I love blues.

Is it easy to make you cum?
I have to ride cowgirl usually to cum, or hard pounding in doggy.

Would you date a fan?
No, I am already engaged and have been for five years. He's a director (Joshua) and it is too hard to date outside the industry. Too much jealousy.

What is the weirdest or craziest thing a fan has done for or to you?
I had a stalker show up at my hotel and caused a huge disturbance at 4am, in Seattle. We had to go to trial against him and are getting ready to again.

Do you enjoy expos/fan signings?
Love them! It's my favourite thing. I love getting to interact the fans and let them get to me know outside the scope of my movies.

> **"SIZE DOESN'T MATTER TO ME AS MUCH AS TO SOME GIRLS. IT'S WHAT YOU DO WITH IT THAT MATTERS"**

Have you, or would you like to, work in the UK?
I haven't, but I would love to shoot an Adam & Eve movie in the UK!

Do you have any funny on-set stories you can share with our readers?
Not really on-set, but right after I drove off from my last boy/girl scene, which was with Evan Stone, I stopped to get fuel and was exhausted from a 22-hour day. I was so tired I drove off and ripped the pump off and the gas station tried unsuccessfully to sue me.

Who, out of all the 'celebrities' in the world, would you give anything to fuck?
Probably none, honestly. I like my regular guys.

What do you do with yourself, other than shoot porn?
I travel so much, that when I'm home, I relax. I love to cook, go to the movies, relax with my family and friends.

> **"FIND ONE GIRL WHO WILL LET YOU FUCK HER AS MUCH AS YOU CAN. YOU WILL BE TOGETHER FOREVER!"**

Is it true that you're a really good cook?
Yeah, I hope so! Joshua tells me it's true. I love cooking light recipes that still taste fantastic.

And that you have a background in gymnastics/dance?
Yes, I was a professional ballet dancer and almost became an Olympic gymnast. My knees started becoming a problem so I gave it up.

What are your favourite books, shows or films?
I love movies like *The DaVinci Code*, and silly romantic comedies. If Kate Hudson is in it, I probably watch it over and over.

We know you're probably bored of being asked about it, but what was working on Entourage like (we're huge fans!)?
Great! The guys were fantastic and it was a lot of fun. I would love to do something like that again.

What was your first tattoo, and do you have any more planned?
My barcode on my ankle was my first. I don't yet, but I am sure I will. Who knows?

What are you proudest of?
My family at home. I work very hard to provide for my family, and it can be tough.

What inspires you?
Again, definitely my family and my fans. Both inspire me to be the best I can be.

Can you tell us something that your fans would be surprised to learn about you, please?
I am pretty much a gigantic nerd and I spend most days geeking out on Pinterest.

What are your plans for the future?
I plan on directing and continuing feature dancing after I retire (which won't be soon), and I would love to start doing more mainstream tattoo and bikini magazines and possibly acting or teaching dance.

What's the best piece of sex advice that you can give to our male readers?
Find one girl who will let you fuck her as much as you can, and learn how to please that one and only girl the best. Then you will be together forever :)

And finally, how can our readers get in touch with you?
Fans can follow me on twitter at @MsTeagan, or via my website *www.teaganpresley.com*.

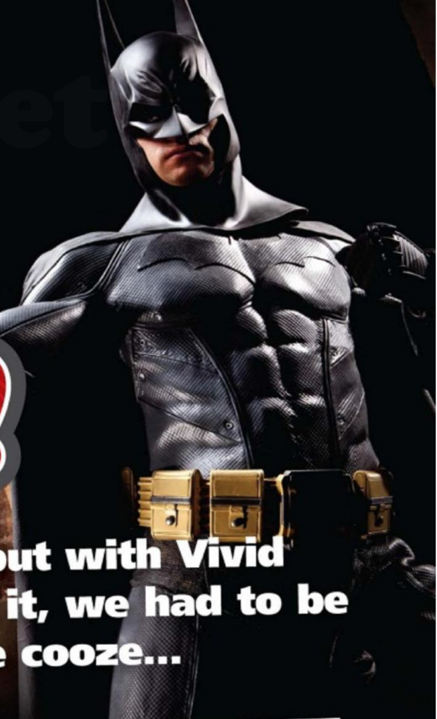
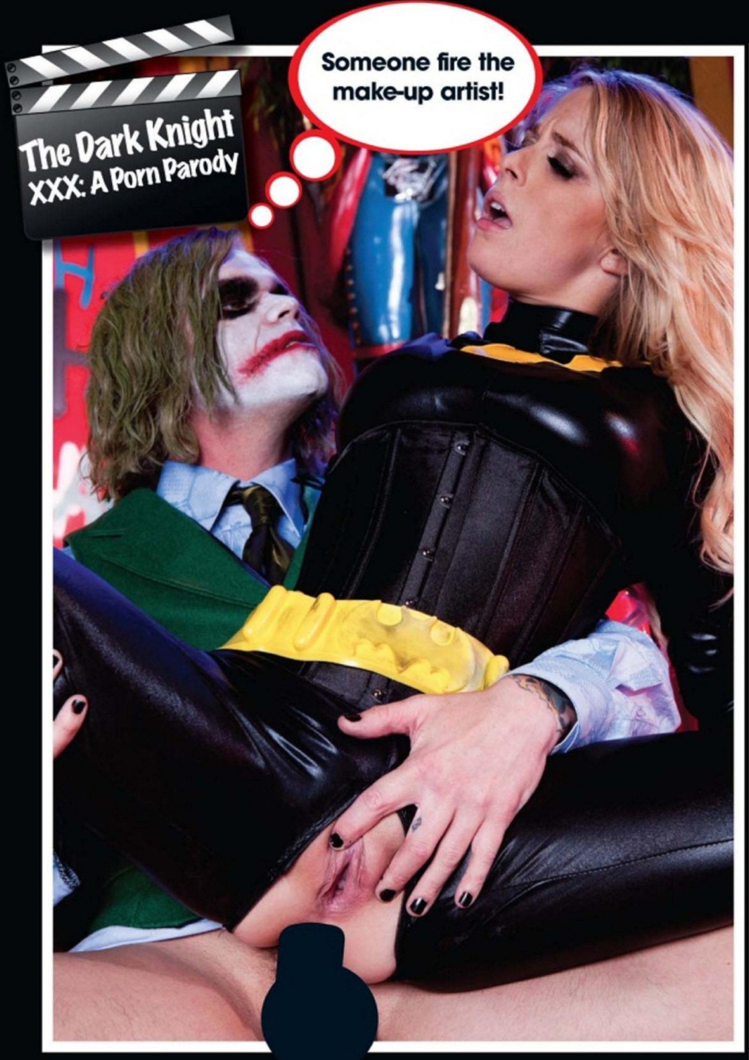
GAPED CRUSADER!



It's not the first time Batman has been parodied, but with Vivid throwing a big budget and some red hot babes at it, we had to be on set to witness the caped crusader getting some cooze...



Someone fire the make-up artist!
The Dark Knight XXX: A Porn Parody

Solidifying himself as the "King of Parodies", director Axel Braun presents another paramount parody with *The Dark Knight XXX*, a monumental motion picture that lives up to, and greatly exceeds the media hype that preceded it. Truly capturing pornographic gold through a riveting storyline, exuberant characters that burst to life on screen, and award worthy sex, this production matches, and in some ways, exceeds its mainstream counterpart by offering tantalising plot twists and plenty of pizzazz.

Starring: Aiden Ashley, Andy San Dimas, Dani Jensen, Penny Pax, Christy Mack, Derrick Pierce, Clarke Kent, Derrick Pierce, Tom Byron, Brendon Miller, Brian Street Team, Giovanni Francesco.

Directed By: Axel Braun.

Available From: Vivid Super Heroes XXX.

A LEGEND WILL RISE
THE DARK KNIGHT XXX
A PORN PARODY
2-DISC COLLECTOR'S EDITION DVD

The saga opens with Batman/Bruce Wayne (Giovanni Francesco) trekking through the icy tundra, after having forsaking his former life and his role as Gotham City's heroic vigilante, Batman. Contemplating the decisions he's made and the lives that have been lost because of his reign, Batman finds himself in the pit of despair. Encumbered, broken, and spiritually lost, there are no lifeboats in sight to help bring our fallen hero back to the light.

Meanwhile, with Batman out of the picture, the crime rate in Gotham City is at an all-time high, with the Joker (Brendon Miller) running amok over Gotham's citizens and city officials. Locked in the belly of his freak show warehouse, Joker has Commissioner Gordon (Tom Byron) and Batgirl (Penny Pax) tied and bound with ropes. Taunting both with his sinister plot to destroy Gotham City, both victims feel powerless under his dubious power trip.

"Willing to take one in the back?" Joker questions Batgirl, releasing her wrists from the ropes, anxious to get down and explore her curvy body. Turning her cheek to the gruesome sight of his deformed face, Batgirl wants nothing to do with this foul fucker... that is until she sees his big dick bulging from his dirty trousers.

Now on her knees before her captor, Batgirl opens wide and begins engulfing his tube steak down her neck. Delighting the villain with long swipes of her tongue, Joker sinks his hands into her long blonde hair and watches her face fill up with protein. "Yeah, don't forget my balls," he shrieks, seeping his set over her tongue as if crafting a delicious cup of English tea. "That's it," he continues, smacking his cock head across her outstretched tongue.

With the action really heating up, Batgirl spins

"LOUDLY SLURPING AND SUCKING AWAY, IVY MAINTAINS STEADY EYE CONTACT"

around and mounts the dirty rotten scoundrel in reverse cowgirl position. Once she rests her back against his chest, we can see which hole she's opted to use first... her asshole! "You're so gross, I can't even look at you," she hisses, still working double duty on his dick, despite the fact that she's physically repulsed by his appearance. "But, you have a great fucking cock," she continues, releasing a splash of ass grease over his lap, as their action heats up.

"Right in the old kisser," Joker smirks, later arranging Batgirl on her back in pile driver position. Holding her up by her yellow boots, Joker dips his anchor into her dugout, treating her asshole to another solid stuffing. "Fuck you," she screams, this time climaxing so hard down her legs that her black costume looks more like black paint than vinyl. What a way to begin!

Next, while hidden away from the world in his mountain cabin, Bruce Wayne remains plagued and haunted by his past. Perpetually lost in an array of disturbing flashbacks, Wayne seems worse for the wear and it shows. While sipping his cognac by the fire, Wayne loses himself in a daydream that chronicles a fight between himself and Nightwing (Brian Street Team), after Nightwing is drugged by Poison Ivy (Dani Jensen). After an action-packed fight ensues, Batman leaves just as Poison Ivy strolls inside. "Hey, we have work to do boy wonder," she purrs, walking circles around the young hero, enticing his crotch with her green nails. Brushing her red hair against his face seems to awaken the sexual stud within.

Scooping her up in his arms, Nightwing kisses his way around Poison Ivy's venomous lips, massaging her pink tongue with his. Entirely aroused by her ultra seductive demeanor and bright red pubes, Nightwing is anxious to have Ivy swing on his vine. "Suck my cock," he spews, demonstrating a more assertive side of his personality. Aroused by his demanding tone, Ivy squats in front of him and unzips his cock from his black and blue superhero costume.

Loudly slurping and sucking away, Ivy maintains steady eye contact with the boy wonder, surrendering him to a trance-like state that has him hanging on her every word and moan. Playing with her clit down before, Ivy gets her hands gooey with her natural sap, as she continues servicing Nightwing's claw. "You're good at this," he later compliments, fervent to experience more of her natural wetlands with his superhero stick.

Mounting Ivy's right leg over a concrete barrel, Nightwing slams his cock into place in standing doggie position. Really getting into Nightwing's groove, Ivy thrusts her chest downward, creating a gorgeous arch in her lower back that seemingly makes Nightwing pump his hips with more gusto. With honey dripping from her hole, Ivy ensures Nightwing's ride remains slippery and very wet!

When back to the present time, Bruce Wayne snaps out of his fantasy and is startled to find Catwoman (Aiden Ashley) standing before him, licking her paws with her long tongue. "Gotham is in chaos. Batman has been away for too long," Catwoman purrs, eager to have Bruce Wayne done the bat suit once again, in the hope that he will want to combat Bane, a villainous brute who has kidnapped his fiancée, Kathy Kane (Andy San Dimas).

With Bruce in need of some more convincing, Catwoman sprawls out across his leather sofa and is eager to have his bat chase her cat. When she has his undivided attention, she spreads her legs and unzips the crotch of her power suit, showing off her freshly shaved kitty. "Come and get it," she flirts, watching Bruce dine on her warm pussy milk and lovely pink parts. Really getting a mouthful, Bruce takes his time devouring this frisky kitty from the inside out. Throwing in a few licks of her candy ass really excites him for the hardcore boning that is to come.

Crawling over to him, Catwoman unzips his cock from his pants and tickles the hole of his dick with her tongue. Now intrigued by her unconventional style, Bruce holds her pretty face in her hands and

I thought it was St. Patrick's day!

"CATWOMAN ENSURES BRUCE'S DICK REACHES THE DEPTHS OF HER PUSSY WITH EVERY HUMP"

watches her work her wet mouth around his cock like an Olympic gymnast pole-vaulting around his sturdy metal bar. With juice spilling from the corners of her lips and his cock completely covered with her warm saliva, Catwoman is giving him her all and Bruce has clearly never had it so good.

"Let me ride the bat," she hisses, leaping on his lap in reverse cowgirl position. With the spikes of her boots piecing the leather sofa below, Catwoman hunkers down and really lays into Bruce's boner. Catwoman ensures Bruce's dick reaches the depths of her pussy with every heated hump. With naturally reddened pussy lips, red blotches across her chest and sweat beading across her masked forehead, Catwoman proves that she truly is the cat's meow!

Crisp and chilling from start to finish, this is porn spoofing at its finest. Absolutely thrilled with the quality of material that was captured, Axel Braun boasts, "It was another massive undertaking, but I honestly believe it's the best thing I've ever shot. Steven Hirsch had been asking me to make another Batman-themed movie for a long time, and I kept telling him that I needed to find the right costumes, the right story, the right actors. Well, this is it!"

DANI

STRIPTEASER

We're always glad to welcome *Club DVD* fave Dani back into the magazine, even if we had to track her down on her holidays.

"I'm just having a few days away," she says, "a bit of sun, a bit of sand, a bit of reading and a lot of sex."

And what are you reading?

"Some classics of erotica – Anais Nin, things like that. I can lie on the beach all day reading, my pussy getting wetter by the second, and by the time we're done on the beach, I'm ready to rip my bloke's clothes off and get at his cock."

Reading, eh. Who knew?

CURRIE ON...

DISABILITY AND PORN

Our legend of lust, queen of the adult scene and columnist Karina Currie tackles the thorny but horny issue of disability and porn...

There's been a big buzz of interest in disabilities since the massive success of the Paralympic event in 2012, and this was obviously going to highlight the fact that disabled people also want to have a sex life and the very likely possibility that some of those disabled people would like to venture into the world of porn! This, however, isn't a new thing.

My good friend and one of the UK's biggest porn stars, Miss Angel Long, who isn't obviously disabled, actually has the disability of cystic fibrosis [which she wrote about in her excellent monthly *Adult Sport* column recently – Ed]. But you would never know by the way she energetically performs in all of her amazing scenes. She had not only been successful here but also in the States, so it definitely hasn't held her back in any way, shape or form.

So how would you feel if you saw a guy, with a physically obvious disability such as Cerebral Palsy, pop up in one of your porn films? Well, this could actually be a possibility! I've just met a very interesting fellow call Pete Andrew. After seeing him appear on a C4 documentary called *Sex On Wheels*, I just had to track him down for a chat and see what all the noise was about.

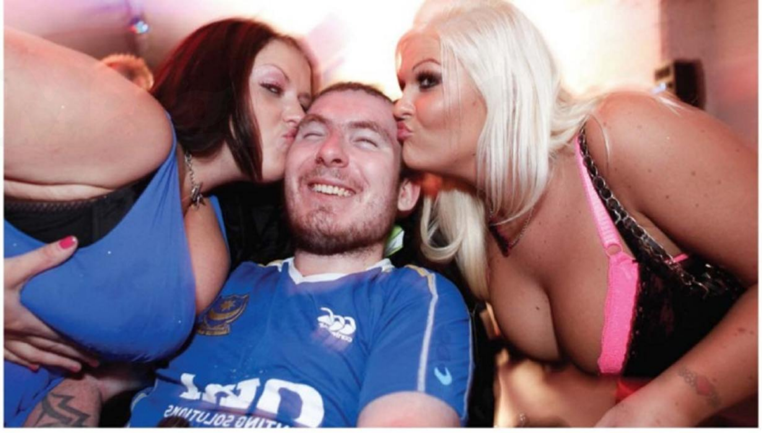
For those of you who missed the show, it was basically about a few people with varying disabilities, from physical to mental, seeking out a sex life. One mum got her mentally disabled son an escort so he could finally lose his virginity at the ripe old age of 26! Bless her, what a legend!

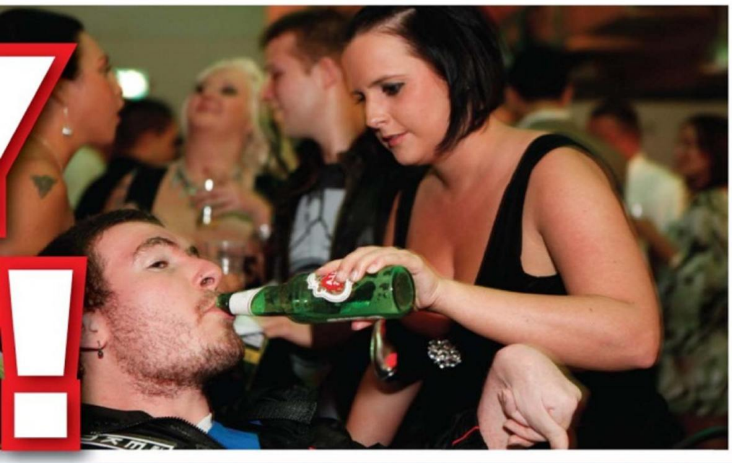
So Pete was featured on this show and he discussed how his interest in escorts, and the need to hire them, was a great way to have a decent sex life, but explained how this had got him into some serious debt. Obviously he's pretty active in that department – the greedy bugger! – so he has a brainstorm and thinks that getting into porn would be the perfect solution, because not only will he get to fuck some gorgeous girls but he'll be the one getting paid for his efforts and not the other way round.

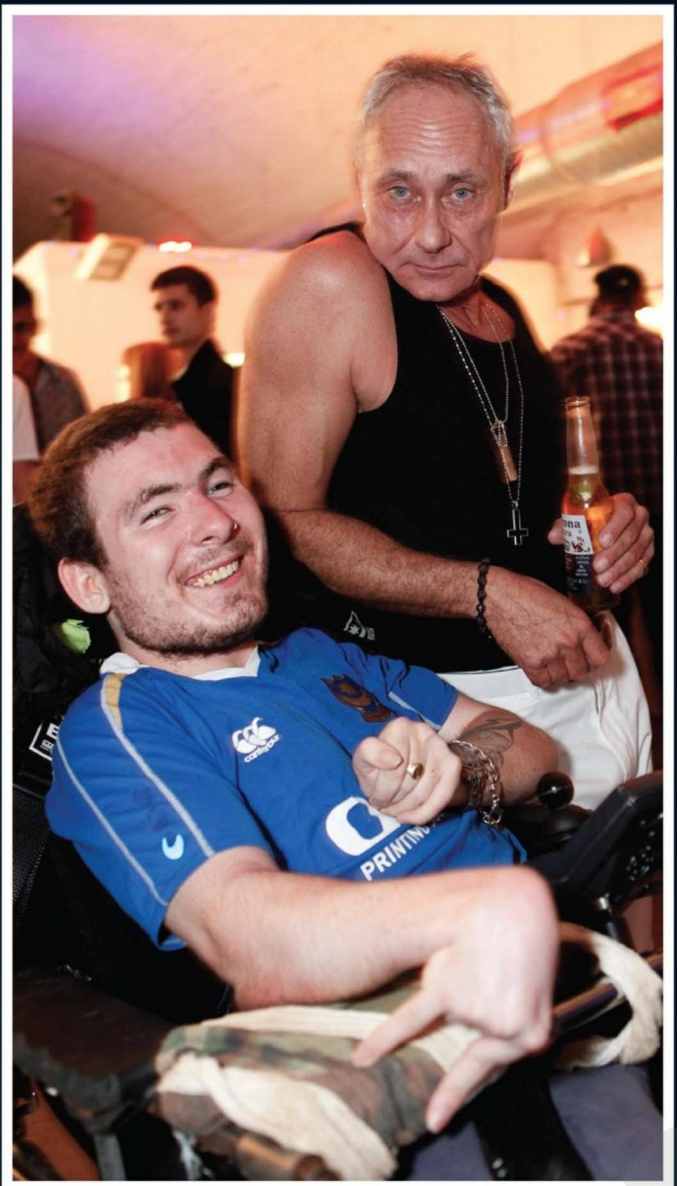
He contacts and sets up a meeting with Jason Maskell through *www.jcazltd.com*, and as he has 15 years of adult industry experience ranging from being a talent agent (he was actually my first agent in my first years of performing!) to being a trained make-up artist and producer at Orchid Films, he is most definitely the man to talk to about all this. As it turns out, eager Pete is in luck! Not only does Jason do all of the above, but he also helps out aspiring porn companies and performers get funding for their projects through *www.adultXFund.com*, which helps raise money through donations and contributions from generous people in exchange for things ranging from credits on the film to cameo appearances etc.

Both myself and Jason agree that the way forward for Pete, to be the successful porn star he wants to be, is to produce his own films. This cuts out any possibility of companies being slated by the Political Correctness brigade on ethics and exploitation, which would be highly possible yet totally patronising at the same time.

> **"ONE MUM GOT HER DISABLED SON AN ESCORT SO HE COULD LOSE HIS VIRGINITY"**







"EVERYONE, DISABLED OR NOT, IS ENTITLED TO A DECENT SEX LIFE"

Pete told me how he'd like to shoot both disabled and abled people in his movies, so this would be a whole new genre of fuck films to enjoy whether you're inflicted with a disability yourself or not and I think it's a very noble thing that's he's trying to achieve, because he's in a position where he can, but he does need the public's help. Obviously, disability benefits don't stretch that far and employing a production and post-production team is quite expensive and that's before you've even employed your talent! Now, this is where you can really make a difference in porn history and be part of it too! Go along to *www.adultXfund.com* and donate to his cause – it's not as if it's not a worthy cause, is it? You can follow the progress and the twitter thing @adultXfund and even chat to Pete about what he's got planned and also give him some hints as to who you want to see him banging on twitter, so give him a follow @pete1986.

I'm going to assist him with administration and casting stuff, so you know it's going to be some great watching, if you're into that kind of thing.

Everyone, disabled or not, is entitled to the most natural thing to do on earth and that's to have a decent sex life, and it's about time that someone has the balls to make some porn which includes people with disabilities, so good on you Pete and let's hope we can make your dreams come true!

MADISON

Lovely debutante Madison arrived late for her shoot – and did nothing but apologise once she arrived, even though it wasn't her fault. The big end went in her car, and she was so sorry for being 20 minutes late that we couldn't be bothered to even make any 'big end' jokes, which disappointed Madison.

"I read your mags, and you boys are always making jokes and puns, so there'd better be some when I'm in!" she said. "I'll be checking up on you."

Okay, you've got it Madison. Er, big end... erm, shit, we've got nothing...

LAUREN

WorldMags.

Lauren seems to spend a large amount of time with her arse in the air or upside down in these photos. Is this a natural state of affairs?

"Do you know what?" the 22-year-old asks us, "I learned that from my modelling hero, Jo Guest. She had this great signature pose where she leaned on the floor with her bum in the air and her back arched."

We know of what you speak...

"And while I don't think I'm Jo Guest, I do think it's a great 'money shot'. If you've got a nice bum, and I think I have, show it off!"

We're sure Jo would approve...

CONFESSIONS OF A BIG-B

Got a filthy tale or two to tell? Get it on an e-mail to clubdvd@paulraymond.com and you could earn yourself a sweet £100! And you can send us the snaps too!

Up to a few years ago I felt a bit self-conscious about my figure. No problem with my 36F boobs, but I wasn't too sure about my bum. It isn't flabby, just fleshy and rounded, but it really sticks out, no matter what clothes I wear, especially if they're tight.

A couple of months ago, I was in a pub with friends when this Irish guy made a comment about my arse as I walked past him to the loo. I ignored him but when he did it again on the way back, I confronted him for getting so personal.

He didn't seemed embarrassed, but said he was sorry if the phrase "big, gorgeous arse" – with the emphasis on the "gorgeous" – had offended me and would I have been as pissed off if he'd complimented my pretty face instead?

Trust me, not many blokes could have pulled off an excuse like that, but there was something about Aidan – the accent helped – that had me smiling back. He didn't steam in, but he kept up the banter all night till I agreed to a date.

We went on several before anything happened – in the end, I was the one who decided a goodnight snog before I got a cab home wasn't enough. I told him he was coming back to mine and he said, "If you're sure…", although he looked pretty happy about it.

I'd worn a little black dress and got him to unzip the back of it, slowly. I unclipped my bra and took it off, but Aidan kept unzipping, anticipation building in us both before he revealed the hot-pink satin thong I was wearing. It was slightly too small, so it was stretched tight against my caramel-coloured skin, and disappeared deep between my arse cheeks.

Aidan was trembling as he dropped down to place a kiss on each of them, and then he turned me around. We snogged and he gave my tits a bit of attention, but his hands were on my arse the first chance he got, squeezing, pulling them apart, sneaking his fingers in my crack till the tips touched the silky strip of my thong.

I thought he'd want to do me doggie style, but instead we ended up with him lying back and me naked on top, facing his feet. I teased him first, straddling his belly, grinding and my arse against it as I wanked his dick and played with his balls. This got me horny as hell too – the juices were trickling out of my twat and soaking his skin, so I rose up and rubbed his helmet along my slit.

He was absolutely rigid, and finally he moaned that if I didn't want him cumming before he'd even slipped it in, I'd better fuck him right now. So I guided him to my opening then sunk down on him, squeezing tight as I pulled him inside me. Despite what he'd said about being on the edge, he lasted for ages, thrusting deep as I humped my pussy up and down against him. Now and again he'd fondle my arse, but he said later that he just liked lying back to watch it bounce and ripple as I rode him.

Finally, as I took him deep and gave his balls another massage, he stiffened from head to toe, then banged hard into me, pulling me onto him by my thighs as his spunk spurted out deep inside me.

After he slid out, he had me lean forward, thrusting my arse back so he could watch the creamy juices run out of my pussy. He used his fingers to smear and rub them into my skin, keeping me on the boil, then he told me to back up.

Now I was sitting on his face, his tongue reaming my slit as he fucked me with two fingers. It wasn't long before I was cumming too, and he clamped his mouth over my pussy hole so he could taste it all. Every shudder of my orgasm sent a fresh wave out and down his throat, and he didn't stop sucking till I was totally spent.

After that, we couldn't get enough of each other. We both like a night out so we went on more dates, but even so, we'd usually end up cutting them short so we could get each other into bed, or if Aidan picked me up at my place, we wouldn't even make it out the front door. The couple of times we didn't meet up because we needed to catch up on our sleep, he phoned me and asked me to play with my arse and pussy so he could wank off or he'd be awake all night!

I won't say all the fun was focused on my arse, but Aidan was never harder than when he was doing me from behind, or looking at or playing with it. So far, he'd only fucked me in my pussy, but then I'd feel his fingers creeping towards my arsehole, sometimes just rimming it, or maybe he'd use just the tip to tease it. Then one time, I wriggled back against him, encouraging him, and he slipped a finger right inside it.

He didn't ask anything more of me and I wondered did he want me to take

"I'D FEEL HIS FINGERS CREEPING TOWARDS MY ARSEHOLE, RIMMING IT"

# of OOTY BEAUTY!

"HE SCREWED MY ARSE AS HARD AND FAST AS HE EVER DID IN MY PUSSY"

the lead again, like the first time we'd fucked. There was only one way to find out. The next time he came over to mine, he found my front door unlocked so he could let himself in. And I'd left a note in the middle of the hall carpet, telling him "Get naked, get hard, and join me in the bedroom."

I was fizzing with excitement when I heard him, and if he had to pause at all to wank himself fully stiff, it didn't take him long. He opened the door to find me naked and kneeling on the bed. I'd slathered lube all over my crack and I had one hand working on my pussy, and a couple of fingers of the other one warming up my arse.

Aidan just moaned, "Fucking hell..." then got in behind me, giving me the usual kiss on both cheeks. I felt his cock brush up against them as he got into position, and I readied myself, splaying my legs slightly wider.

When I felt him slide balls-deep into my pussy, I almost came instantly from the feel of it, though I felt strangely disappointed that he'd chosen to fuck me there. But I kept playing with my arsehole, hoping he'd take the hint. Soon he moved my hand away and fingered around it, then dipped two inside it, gently swirling them, to relax and open me up.

"You sure you want it like this?" he asked, and I said yes, drawing in a breath as I felt his cock pull out of my pussy and touch up against my even tighter hole as his fingers came out of it. He scooped up a palmful of the lube and rubbed it over his shaft, then told me to push back against him and I did, feeling him press gently but firmly against my arse. Then he said relax and as I did, his stiff prick inched inside me, slowly filling me up till I felt his pubes touch up against my crack.

At first he just stayed buried, letting me get used to the size of his cock up my arse. Then, slowly, he started to stir it around and as I moved against him, he began thrusting, shallow and easy at first, then building up till he was screwing me as hard and fast as he ever did in my pussy.

I was loving it. I usually came pretty quickly no matter how he fucked, licked or fingered me, but this was more intense than anything I'd felt before. He reached forward to cup my tits, trapping my nipples between his fingers, and I reached back to touch my clit.

I started cumming within seconds – it just sneaked up on me and everything else felt so full-on it took a moment before I realised what was happening. He carried on shagging me and I kept rubbing my clit and I suddenly realised what I'd felt was just a preview. Although my cunt was empty it seized up, then it felt like every muscle in my crotch and arse was cumming out of control, the warmth and pleasure spreading out till my entire body was glowing.

I slumped down, head resting on the pillow with my arse up in the air as Aidan neared his final few strokes, then he plunged in deep and I felt his cock jump inside me as he shot his load. My arse was flooded with his jizz and I shuddered again as he pulled out, and the warm wetness trickled down over my clit.

I don't want to hex things, but even though it's early days I feel like I've met my perfect match – sexually at least. And Aidan says he'd have a hell of a search to find another arse as sexy as mine. But I don't think he's going to go looking anytime soon, because I let him do whatever he likes to it, and I love it too...

B&O BEOPLAY H6

Before the days when every chav and wannabe DJ bought a pair of really uncomfortable pair of Beats By Dre (and many Fakes By Dre) headphones in a gaudy display of wealth, Bang & Olufsen were the market leaders in the "hey look at me I can afford to spend a few hundred quid on some headphones" stakes. Obviously, now they need a different angle and by giving them a truly classic look, with the usual B&O audio quality, they know what they're doing. Despite feeling as light and frail as a new-born butterfly, the build quality is impeccable and sound-wise, whilst not perhaps on the level of the equivalent Sennheiser option, the balance is about as good as you will find with all ranges performing superbly. Therefore, it isn't all about how you look with these, but at that price tag maybe it really is.

Pros: Light. Perfectly balanced sound.
Cons: Plastic edges. Prohibitively expensive.

BLACKBERRY Q 10

The Blackberry is now sitting in an almost unique position as all other brands have raced to the smartphone battle-ground, and the idea of a full qwerty with the new BB10 OS might be enough for loyalists to resist that one more time. Especially as this is Blackberry's largest keyboard to date to further persuade those for whom rapid messaging is the be all and end all of life. The fact that the frankly tiny screen-size (3.1 inches – imagine that!) seems like peering into a past-life, however, may be the clincher for the floating consumer, despite it featuring their first AMOLED display and resolution that the iPhone would kill for. If this is the last ditch attempt to hold on to the fast-text faithful, then they couldn't have achieved much more with this. However, if you want to avoid lack of app shame down the pub you may need to move on.

Pros: Battery life. Decent camera. Keyboard size.
Cons: Lack of apps. Screen size.

FUJIFILM X20

Poser alert! If you still think your life in 2013 should be like an episode of *Miss Marple*, then Fujifilm are making sure you can achieve your retro desires and actually have a fully functioning 'modern' camera to boot. The detailing is there right down to the lack of 'on' button, instead you have to twist the manual zoom and can dick about with the lens as much as you like for that full-on, "I reject our automated society" image. Perhaps frustratingly, though, the larger viewfinder that you've become used to is lacking and for best results you really will have to work the camera's capabilities manually, as the auto mode may leave you a little frustrated with the results. So, in short, when you want to impress, roll out with this one, but make sure you have a more dependable snapper for the vital moments in life.

Pros: Build quality and appearance.
Cons: Some lack of definition in video mode. Expensive.

MOTOROLA RAZR HD

Motorola are taking it back to the basics of what people really care about in a phone with this one. Focusing on sturdy build, all-Kevlar backed soft touch feel and a battery life that's designed to lessen your anxiety about whether you'll still be able to tweet about Mumford & Sons at 2am from some dreadful festival, they think they've got the essentials covered. Not only that, but they've made sure that the AMOLED screen on this is well up to snuff, and the fact that it's a comfortable rubber clad hold, means movie watching is a joy. The one essential they perhaps forgot, though, is to make the camera better in this world of Instagram and Vine obsession, and its 8MP performance is a little lacking, especially in those all crucial 'low-light' areas. Not one for the everyman, as they claim, but definitely one that will be loved by some.

Pros: Smooth results in gameplay, coupled with quality ergonomics and feel.
Cons: Camera could be improved.

SONY XPERIA TABLET Z

Sony has been on a mission in recent years to be the choice of those who have money but don't really want to have a choice (i.e. think). Nonetheless, they've been a little slow on the new one-handed personal pleasure gadgets (i.e. tablets) which means that many who didn't want to iPad up, probably have out of frustration. However, as this is basically a larger version of their already certified Xperia Z phone, and one that is refreshingly sleek, then they're off to a good start. The fact that it's also water (and liquid) proof is also a massive bonus, for things like, er… cooking etc. and the text and contrast is perfect as a reader. The fact that its connections and storage are beyond the capabilities of many on the market may be the clincher, but only if you really have money to burn as it's far from cheap.

Pros: Waterproofing. Quality battery life.
Cons: Looks a little blocky in landscape form. Expensive.

PRIVATE ORGASMS 2

(Viv Thomas)

A lot of porn viewers don't want a bloke's hairy arse or balls dominating the screen every few seconds, and those viewers will be delighted with Viv Thomas' new series of solo slit-strokers. Yup, it's just a girl, a camera and her wandering fingers. The girls are Viktoria Diamond, Antonya, Lexi Lowe, Iwia and Nicole Smith, and the action is well-filmed. The only thing lacking is a little bit of engagement with the girls themselves.

Popular Brit MILF Tanya Tate is on both sides of the camera in this endlessly wankable all-girl film. It helps that she's cobbled together a stellar cast of British foxes. Paige Turnah, Sam Bentley, Jess West, a slimmed down but still gorgeous Katie K, and Tanya herself are among the delights on offer. Set in a finishing school, the discipline handed down to the girls always takes a sexy turn, and for viewers in search of Sapphic delights combined with homegrown honeys and college uniforms this is a winner.

Digital Playground don't do gonzo any more, which is a shame because gonzo with the quality of girls that DP attracted was truly something wonderful. But they continue to churn out excellent features with plots we can't get excited about but with girls we can't help but get excited about. Here we have Riley Steele, Ava Addams and Chanel Preston, which is more than enough to turn our balls from full and churning to empty and raisin-like. Mission accomplished.

WWW.NAUGHTYALYSHA.COM

Many internet amateurs offer tease, or specialise in blowjobs, but Southern belle Alysha Morgan pretty much does it all. Fisting? Yep. Huge toys? You betcha. Interracial fucking? Affirmative. Getting jizzed on by a bunch of blokes in an adult cinema? Why, yes indeed.

She's a naughty, broad-minded girl, and one with getting on for 2000 videos and galleries on her site, which tells you that even after 12 years online, Alysha is still as naughty as she was on day one. One of the best amateur sites in the world.

WWW.HIPPIEGODDESS.COM

This site has been around for as long as Naughty Alysha's, so it must be doing something right. But what it isn't doing right is design and navigation. After 10 years of putting together a niche website, it should look a little better than a first try. Still, those in search of natural girls – many hairy both downstairs and in the pits – will get over those issues. This is a celebration of spiritualism and earth through the naked female body. And why not? The videos are crap and low-quality, but photo fans can get lost for days in here. Better pack a razor…

WWW.VINCEVOUYER.COM

Back in the glossier world of porn stars and their websites, veteran stud and director Vince Vouyer doesn't disappoint with his site. A few hundred videos, hi-res galleries without watermarks, and the latest, hottest babes getting banged every which way – it's a simple formula, but one that many people just can't master.

Here be gorgeous redhead Zoey Nixon's first porn scene, and Raylene and Sammie Spades getting their back doors kicked in. The downsides? Updates are starting to slow down, and the video isn't all it could be. Oh, and no bonus sites either…

FUN Bags!

The page where the fun ends...

On the first day of term, a pretty young teacher noticed that someone had written the word 'penis' in tiny letters on her blackboard. Embarrassed, she rubbed it out before turning round and scanning the class for the guilty face. Not seeing one, she dismissed it as a joke and started the lesson. The next day, she arrived at her classroom to find the word 'penis' again scrawled on the blackboard, but this time in slightly larger letters. Mildly annoyed, she asked her class who the culprit was but nobody owned up, so she wiped the board clear and went on with her teachings. Every day for the whole term, the teacher would arrive at her classroom to be faced with the same word and every day it was written in slightly larger letters than the previous day. Finally, on the last day of term, the teacher walked in to her classroom expecting to see the word 'penis' as usual, but instead found that someone had written, 'the more you rub it, the bigger it gets'.

What do you get when you mix puppies and rabbits? Puppets.

……

Three hillbillies were chatting. The first one said, "My wife's so dumb. Yesterday she came back with a brand new clothes drying machine and we ain't even got electricity!" The second hillbilly exclaimed, "My wife's even stupider than that! Last week, she brung home a dishwasher and we ain't even got running water!" The third hillbilly chimed in, "Well, my wife's a frickin' idiot! The other day she dropped her purse, everything comes flying out and she got a load of rubber johnnies in there... Well, she ain't even got a dick!"

……

A man walks into a bar and said to the barman, "Give me a neat double whiskey, and keep 'em coming." The barman fills a glass with the liquor and asks, "Bad day?" The man nods, "You could say that; I found out this morning that my older brother is gay." The barman says nothing, just keeps topping the man's glass up. The following afternoon, the guy goes back into the bar and says to the barman, "A double whiskey, please, Barman, neat. And keep 'em coming." The barman nods and hands the man his drink, "You having another bad day, man?" he asks. "Yes, I am. I just found out that my younger brother is gay, too." The barman again just silently tops the man's glass up. When the man entered the bar on the third day and ordered his usual drink, the barman couldn't help himself. He handed the guy his whiskey and asked, "What the hell, man; who is it this time? Doesn't anybody in your family like women?" The man sighed and replied, "Yes, my wife."

……

A man is away for a few weeks on business, and when he calls home, he is surprised to hear a strange woman answer. "Who is this?" he enquires. "This is the maid," comes the reply. "But we don't have a maid!" the man exclaims, confused. He hears her sigh, "Well, I was only hired yesterday. By the lady of the house."

The man starts to become a little impatient, "Well, this is her husband, here! Where is my wife, please?" but is devastated to hear the maid reply, "She's upstairs in bed with a man that I presumed to be her husband! I am so sorry, Sir." Sobbing, he tells the maid he wants her to do something for him, something that will earn her £30,000. The maid is hesitant, but asks him, "£30,000? But what would I have to do for that?" The man sniffs his tears away and, getting angry, tells her, "I want you to take the gun out of the desk drawer in my office, go upstairs and shoot the lying, cheating bitch and the asshole she's with!"

The maid agrees and puts the phone receiver down; the man hears her footsteps, then two loud gunshots ring out. A few seconds later, the maid comes back on to the line, and slightly breathlessly, says, "I've done it! But what should I do with the bodies?" The man thinks for a minute then says, "Just throw them in the swimming pool." The maid is puzzled, "But you don't have a swimming pool!" There is a long pause, before the man asks, "Is this 318 2848?"

Six
Of The Breast

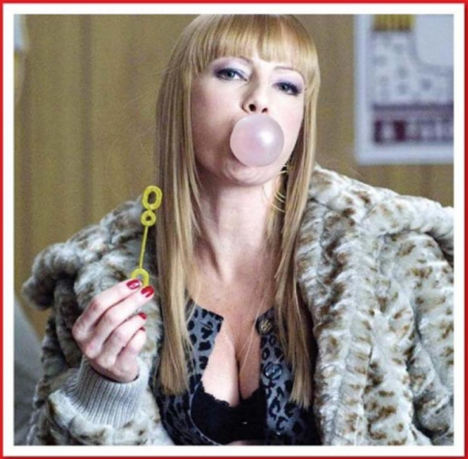
Regular readers will notice the absence of Auntie Em, who has finally hung up her G-string and headed to pastures new. Instead, we bring you the brand spanking new Six Of The Breast for you to feast your eyes on!

—This issue, we bring you Six of the Breast... Hollywood Porn Movies! Unsurprisingly, there have been countless films on the juicy subject – *Porn Star: The Legend of Ron Jeremy*, *Inside Deep Throat*, *Middle Men*, *A Serbian Film* and *8MM*, just to name a few – but we couldn't review them all, so here's some of the best of the rest...

Title? Zack & Miri Make A Porno (2008)

Who? **Seth Rogen, Elizabeth Banks, Traci Lords, Katie Morgan**

What? Seriously funny and crude-as-fuck, *Zach & Miri* gained instant cult-status among its legions of fans. The film's namesakes are a couple of platonic flatmates who, because of mounting bills, decide to make a porn film together. Hilarity ensues as they contemplate fucking each other on camera – as does quite a sweet, if filthy, storyline – as they realise they actually have deep-rooted feelings for each other. And not just 'cause they want to 'deep-root' each other.



Much Nudity? Surprisingly, yeah. Although a lot of that is male frontal, which we could do without, we also get to watch blonde porn star Katie Morgan getting screwed. However, it would've been nice to see Elizabeth Banks' top bollocks, we can but dream.

Titillating Titbit? With lots of controversy surrounding the title (most US states dropped the 'Make a Porno'), many of the film posters were banned. Although both main actors were clothed in the promotional image, they showed the back of other actors' heads in front of their crotches, implying oral sex... Naughty! Oh, and FYI, the word 'fuck' is said 229 times.

Title? The Look Of Love (2013)

Who? **Steve Coogan, Chris Addison, Anna Friel, Imogen Poots, Tamsin Egerton, Andrew Emery [The Ed!], numerous Paul Raymond Publications staff (past and present)**

What? A story close to our hearts, *The Look Of Love* is the biopic of Mr. Paul Raymond, Soho property tycoon, founder of our magazines, legendary 70s' porn maestro and, at one time, Britain's richest man. Following his marriage, affairs, drug abuse and troubled relationship he had with his beloved daughter, Debbie, until her death from a heroin overdose, the movie pulls no punches; the man could be a cold, unfeeling bastard, and that's just how he's portrayed. Best bits include the scene between Raymond (Coogan), Tony Powers (Addison) and two magazine editors – played by our very own Mr Emery, and sister mag *Mayfair*'s editor, Mr Berry! Biased, us?

Much Nudity? Lots, as you'd expect! From full-frontal shots of the numerous porn models cast, to Tamsin Egerton riding naked on a horse through Soho, recreating Fiona Richmond's infamous publicity stunt.

Titillating Titbit? As 99% of the real-life porn girls cast in the movie were completely shaven, they had to wear merkins to get that little bit of realism. After all, there was a time when virtually all fannies were hairy!

Title? Wonderland (2003)

Who? **Val Kilmer, Lisa 'Friends' Kudrow, Kate Bosworth, Carrie Fisher, Christina Applegate, Paris Hilton**

What? Kilmer plays the late, legendary John Holmes fantastically, though *Wonderland* is not so much about his career as a hugely endowed cocksman (over 13", don't you know), as his involvement in the infamous Wonderland murders of 1981, where four people were killed. A dark, slightly twisted look at the murky side of the sex industry, and definitely worth a watch.

Much Nudity? Disappointingly little. Not even a nipple flash from Paris Hilton, which begs the question: what was the point of her being cast?

Titillating Titbits? Kilmer wore a gold ring on a chain during filming; it was John Holmes' actual wedding ring, loaned to him for luck by Holmes' wife, Sharon.

Title? The People v. Larry Flynt (1996)

Who? **Woody Harrelson, Edward Norton, Courtney Love**

What? A brilliantly-made biopic of the founder of *Hustler* magazine, Larry Flynt,

and his rise from skint strip-club worker to millionaire business mogul – including his law-changing landmark court cases, drug addiction and destructive marriage. We don't much like Woody Harrelson – or Courtney Love, for that matter – but they and the rest of the cast are inspiring in this fascinating take on the American XXX industry.

Much Nudity? A bit, but that's only if you can stand looking at Courtney Love's norks. We weren't put off too much (she's actually very good in the role of Mrs Flynt), until she opens her gob.

Titillating Titbit? The real Larry Flynt makes a fantastic cameo in the movie, playing the judge of one of his many ground breaking legal battles. Now, that's approval!

Title? Boogie Nights (1997)

Who? Mark Wahlberg, Burt Reynolds, Julianne Moore, Heather Graham, Nina Hartley, Summer Cummings, Veronica Hart

What? Possibly the most famous of all the Hollywood takes on the porn scene, *Boogie Nights* follows the life of Dirk Diggler, a young dishwasher who is discovered by a pornographer and made into a huge star, before slipping down the slope of self-destruction, taking everyone around with him. Stellar cast, amazing script and cleverly shot, if you haven't seen *Boogie Nights*, get it watched now – if only for Wahlberg's impressive prosthetic dong!

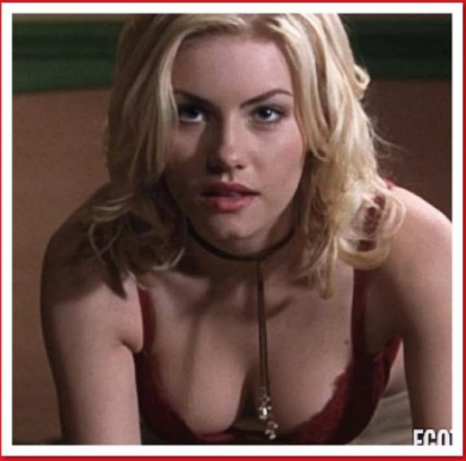
Much Nudity? Enough to make the movie plausible, without being OTT. Heather Graham shows that she ain't shy, getting her kit off and giving full-frontal a number of times, and then there's Julianne Moore, whose body is smoking hot!

Titillating Titbits? Joaquin Phoenix, Leonardo DiCaprio and Vincent Gallo were all offered the role of Dirk, but turned it down for varying reasons. Not only is the plot based on the life of the aforementioned John Holmes, but he is also referenced numerous times in the movie. Oh, and the word 'fuck' is uttered a measly 165 times!

Title? Girl Next Door (2004)

Who? Emile Hirsch, Elisha '24' Cuthbert, Timothy 'Deadwood' Olyphant

What? Tapping into every lad's fantasy, this mild comedy is about a teenager who falls for his new next-door-neighbour before discovering that she is, in fact, a porn star. The movie consists of him trying to land his dream girl, as well as keeping one step ahead of her porn producer ex-boyfriend (played by Olyphant – the best thing about this film). A bit of a sweet teen comedy, which hints at the porn world using toilet humour, rather than showing obvious boning, like others on this page.



Much Nudity? Nope, despite the subject matter this is aimed at the teenage boy market. Although dads will enjoy doing a spot of nipple-watching, when hottie Elisha Cuthbert goes bra-less under her flimsy vest tops. Who needs nudity?

Titillating Titbit? Emile Hirsch was underage when the movie was shot so all of his nude scenes were shot using a body double, and when he was given a lapdance during one risqué scene, the poor boy had to hold a pillow between him and the stripper. Probably a good job!
